

## **2017 Carolina Clash Super Late Model Series Points Structure**

The 2017 point championship competition will be based upon a progressive point total for each event and will be constant throughout the 2017 season. All ties will be broken by the number of wins of the drivers who are tied. If they have no wins, then most second-place finishes, then third, etc. will determine the tie-breaker.

Additional points will be awarded for the following:

1. All drivers in good standing with the Carolina Clash Series, who register for an event with the Carolina Clash Series and **DO NOT TRANSFER INTO THE A-MAIN FEATURE** will receive 15 points. If a race is cancelled by weather or for any other reason after the A-Main starting lineup has been set, all drivers registered will retain the 15 points for that event. (If a rain date is used to make up that event, and there were less than 22 cars in the field, **NO** points will be given to any driver added on to the end of the field on the rain date.)
2. “Fastest Qualifier Bonus Points” – any driver who sets the fastest qualifying time and takes the initial green flag for the A-Main at any Carolina Clash event will be awarded 5 bonus points for that event.
3. Heat Race Winners Points: all heat race winners will receive 5 points for winning heat races for that event. Heat race winner points **WILL NOT** be transferred in the event that heat race winners are disqualified from that event for any reason.

4. A-Main winners: each A-main winner will receive a 5 point bonus for each event won.
5. The driver earning the “Hard Charger of the Race Award” will earn 5 bonus points for that event.

**DISQUALIFICATION CLAUSE:** In the event that a driver is disqualified (not meeting required post-event weight at scales, tire samples taken from any driver’s car is returned as not meeting the manufacturer’s benchmark, etc.) bonus points will be voided for that event. ONLY bonus points for “Hard Charger of the Race” will be transferred to the next eligible driver for that award.
